

St. Francis Vestry Meeting  
April 21, 2010

Present: Don Eigenberg, Don Kepler, Chris Kelley, Joyce Walsh, Jane Sayre, Karen Anderson, Vic Brenizer, Randy Yates, Collette Suhr, Sam Brown, Bob Brown, Gina Shedd, Bob Manasek  
Absent: Cindy Dickinson, Julie Fancher

The meeting opened with prayer at 7:00pm.

The purpose of this meeting was to plan the May 2<sup>nd</sup> 9 a.m. service and brunch where the remodeling plans will be shared with the congregation.

It was the consensus of the Vestry that a "stop clause" should be added to the remodel contract if the termite problem proves to be much bigger than currently believed.

The plan for May 2<sup>nd</sup>: A presentation by Vestry members will be given immediately after the 9 a.m. service that will outline the key remodeling plans in the worship space. The congregation will then move to the parish hall where Vestry members will outline the key points of the remodel in that space, as well as in the office and classroom areas. During each of these presentations, the congregation will be asked to listen to the presentation and save their questions/comments for the table discussions that will occur while everyone eats brunch. Vestry members who agreed to be presenters were: Don Eigenberg, Jane Sayre, Gina Shedd, Vic Brenizer and Chris Kelly.

At the brunch, Vestry members will be seated at each table. The role of the Vestry in these discussions is to listen, take notes of comments/concerns, and assure parishioners that the changes are not overwhelming, but are designed to improve our church family space.

Bob Brown will get stick-on name tags. Each vestry person will wear a name tag that identifies him/her as a vestry member. Name tags, markers, bullet points of the remodel, paper and pens will be placed at each table.

Brunch will be prepared for 75 people. Cooks/kitchen workers will be Randy Yates, Collette Suhr, Joyce Walsh, Don Kepler and Cindy Dickinson.

Father Kelsey, Don Eigenberg and Randy Yates will develop the talking points for each presentation.

Meeting adjourned at 8:10 p.m.
