Absent: Jane Sayre, Julie Fancher, Karen Anderson, Cindy Dickinson

Remodel Update/Information:

Sanctuary lighting: Sconces were shown that will replace the current ones. The chandeliers and fan lights will match the sconces shown. The cost of these fixtures is estimated at \$2,200. \$3,200 had been budgeted. It was the consensus of the Vestry that these fixtures be used.

Carpeting/Flooring: \$14,000 was budgeted for flooring/carpeting. To cover all the areas, except the chapel, would cost an estimated \$30,000. It was the consensus of the Vestry that money be allocated to cover the cost of redoing all the flooring. After much discussion about the carpet color, it was the consensus of the Vestry to select Western Trail carpeting for the sanctuary and Solaris carpeting for all the remaining floor space that will be carpeted. The tile that was shown will be used in the kitchen and in the ladies' bathroom/dressing room in the undercroft.

Kitchen countertops: The kitchen countertops will be resurfaced rather than replaced.

Convection oven: ECW will be asked to help fund a new convection oven in the kitchen.

Meeting adjourned at 7:30pm.
